

I WOULD LIKE TO GO TO MASS

ALLELUIA!!!! Churches are open again. Unfortunately, due to corona measures, if you would like to attend Mass, it is necessary that you inform us, for our seats are limited. You can register via website www.ikwilnaardemis.live. Registration is in Dutch, and the text is self-explanatory. If you need help completing the web form, please send an e-mail to ja@ikwilnaardemis.live and we will help you fill out the form. We are working on a version in English.

Please be aware that registration is NO GUARENTEE that you can attend Mass. You are only allowed to attend Mass when you received a confirmation email.

HOW DOES IT WORK

You can register for the Mass from September via www.ikwilnaardemis.live.

Please read the instructions carefully and take time for it, in order to avoid disappointments. Registration is only an inventory for us, which we need for seating arrangement.

Due to seating arrangement, we need to receive your registration form at least 24 hours before the Mass you would like to attend.

NB: • Filling out the registration form, does NOT mean that you can automatically come to the Mass, for which you have yourself registered for.

- After sending in the registration form, you receive a copy of the registration form you filled out. This confirmation of your registration does NOT mean that you can automatically come to the Mass, for which you have yourself registered for.

You can ONLY come to the Mass after receiving an confirmation email saying 'you are INVITED to attend the Mass'.

NB 2: in case you would like to change dates of times, please send an email to: ja@ikwilnaardemis.live

You do not have to fill out the registration form again.
